

Greetings!

February may be the shortest month of the year, but for COMSA it's packed with opportunities to compete! Sign up links are below.

*\*\*COMSA is also looking for volunteers for the State Meet coming up March 25-27, 2022! COMSA is offering financial incentives to teams for providing volunteers! See more details below.\*\**

We also want to thank Heather Melrose for her service as the COMSA Secretary over the last two year. Having to follow in her footsteps is no easy task, but I look forward to sharing the happenings around our LMSC in serving as the COMSA Secretary.

## Volunteer at the COMSA State Meet & Earn Money for Your Team!

**"Those who give of themselves, in time and energy for the benefit of many, receive the greatest rewards!"**

COMSA is looking for volunteers to serve as timers and runners at the COMSA State Meet March 25-27 at VMAC. Our goal is to have 2 timers for each of 10 lanes per session. Timers and runners will be given free hospitality, food and refreshments.

Teams will be assigned lanes based on entries for the State Meet and we ask that teams be prepared to provide timers for each lane and session. Teams and/or coaches are welcome to schedule their timers as necessary to cover each session assigned. A master schedule of team timer lane assignments and responsibilities will be set out in the March 22nd email with the psych sheets.

Teams who provide timers will be compensated after conclusion of the State Meet.
