Coming Back in 2022 - COMSA Practices

A few years ago, COMSA, in conjunction with generous local workout groups, would help host a practice, open to all COMSA swimmers, at a different pool each month. As our New Year's Resolution, we are bringing that back for 2022. Starting in January, we would love to have a different team pick which day and time works in their schedule to open their practice up for all COMSA members. We hope that this provides a great opportunity to socialize again, even if you aren't up to the challenge of a meet just yet.
