

Greetings!

Are you interested in sharing your time and talents by coaching a local Masters team? USMS is now offering Level I certification virtually. To register or get more details, please see the [USMS website](#).

If you are currently a coach or team representative, please make sure that your team is registered with USMS for 2022. Swimmer registration for 2022 opens on November 1. You don't want your team to miss out on registering members by not being registered as a club or workout group when they go to sign up!
