

The 50/50 Club, a New Challenge Submitted by John Tobin

Jack Buchanan once described Masters as a handicapped program for adults who like that famous bear Pooh have very little brain.

Therefore, consider this invitation for the mentally challenged Masters Swimmer to join the politically incorrect and insensitive 50/50 Club by swimming the maximum distance allowed (5 events per day plus relays) at our state meet.

Enter and swim:

1650 Free	
1000 Free	
500 Free	
400 IM	
All 5 200's	
Any of 3 100's	
And all 4 relays	

Total	5,050 yards

Recognition and directions to the Colorado State Mental Hospital in Pueblo will be given at the tailgate party in the parking lot on Sunday after the meet.
